

Buck Lake Fall Fling Player Handbook

General Information

- All parking will be on the soccer field near hole 7 (see map below)
- If there are any disputes on a call, play it out both ways and record both scores. The dispute will be handled by one of the tournament directors.
- Please maintain a decent pace of play. If a disc is lost, there is a 3-minute clock to find it. If it is still not found, the player throws a shot from previously agreed-upon location with a 1-stroke penalty.
- PDGA Live Scoring should be used for keeping score. Access this by going to <https://www.pdga.com/scores> and using code "Buck".
- All asphalt on the course is **OB** unless specified. Any **OB** is played where the disc was last in bounds with a one-stroke penalty.
- The bottom of the holding pond (that is mainly dirt and flat ground) near holes 10, 11 and 12 is an OB **hazard**. For any hazard on the course, the next shot is thrown where the disc lies with a one-stroke penalty.
