

# The Inaugural Jackson County Open at Citizen's Lodge Park

## Player Handbook

### General Information

- All parking is on the pavement or the grass away from the course. (See map below.)
- Copper Grill Food Truck will be on site. (See menu below.)
- If there are any disputes on a call, play it out both ways and record both scores. The dispute will be handled by one of the tournament directors.
- Please maintain a decent pace of play. If a disc is lost, there is a 3-minute clock to find it. If it is still not found, the player throws a shot from previously agreed-upon location with a 1-stroke penalty.
- Hazards come into play on holes 8, 18 and 19. A hazard is an area designated by the TD which incurs a penalty throw. A disc is in a hazard if its position is clearly and completely surrounded by the hazard. A player whose disc is in a hazard receives one penalty throw. The lie is not relocated.
- PDGA Live Scoring should be used for keeping score. Access this by going to <https://www.pdga.com/scores> and using code "jackson". It is best to have two people keeping score using this method. It will validate consistency after each submission and help maintain the integrity of the cards.
- **Thank you to our sponsors:** Brent Gann, David Hamm, Denis Nelson, Webb Warren, Rivertown Community Church, Florida Showcase Realty, and Cobbs Frontend and Tire Service

**Any questions or emergencies please text or call**

- Marshall Griffiss (850) 544-2300
- Thomas Anderson (513) 926-5590
- James Coste (850) 544-3647
